

# **52<sup>nd</sup> Annual Maize Genetics Conference**

## **Date:**

Thursday 18 March 2010 – Sunday 21 March 2010

## **Location:**

Riva del Garda (TN) Italy

## **Short description:**

The Maize Genetics Conference serves as a key forum for information exchange on topics related to maize biology, and is the only annual meeting dedicated to the genetics and molecular biology of corn. For the first time, the venue of the meeting will be located in Europe. Topics to be featured at the conference include: Biochemical Genetics, Bioinformatics & Computational Biology, Cytogenetics, Development & Cell Biology, Functional Genomics, Education & Outreach, Quantitative Genetics & Breeding, Transposons & Epigenetics.

## **Deadlines:**

Registration January 29, 2010

Call for Papers January 29, 2010
