

ABSTRACT DETAILS

- Abstract Title
 - Author(s)
 - Author(s) Address
 - Abstract (250 words max)
 - Topic Area (one of the seven topics covered in the Presentation of the meeting – www.eucarpia.org)
- The abstract must not exceed 250 words, including title and author's names and addresses.
- The abstract should be typed using the Microsoft Word program with the text in Times New Roman 12.
- Type the abstract title in bold Lower Cases with Initial Caps.
- If the title extends to a second line, use single spacing. Separate the name(s) of the author(s) from the title using a double space.
- Type the names in lower case –surname followed by initials (eg. Smith, BJ)
- The author(s)' addresses should be written directly following the author(s)'s names. Superscript 1 should be used to identify the different organisations. Use the lower case and left hand alignment.
- The addresses should include Department, Institute or Organisation, City or Suburb, State, Postcode and Country. Where address extends to a second line, use single spacing. Multiple addresses should be avoided, if possible. Leave a double space and proceed with the abstract, using single spacing.
- Do not indent paragraphs.
- You should send your abstract by e-mail not later than February 28th, 2006.
Notice on abstract acceptance will be sent out at the end of April, 2006.

Notice: Authors willing to present a paper or poster must be inscribed in the Symposium.
